April 20, 2012
Pursuant to Rule 1.4(a)(4) of the Commission’s Rules of Practice and Procedure, Pacific Bell Telephone Company d/b/a AT&T California (“AT&T”) hereby requests party status in this proceeding.

AT&T is an emerging leader in network and managed services for Smart Grid devices, and its extensive network and capabilities make it an ideal partner for other innovators that are working to advance Smart Grid technologies, particularly in the areas of Advanced Metering Infrastructure (AMI) systems and distribution management. As such, AT&T has a direct interest in assisting the Commission with the establishment of guidelines and standards that will enable efficient and effective Smart Grid deployment.

WHEREFORE, AT&T requests that the Commission grant it leave to intervene in this proceeding with all the rights and obligations of a party.

Dated at San Francisco, California, this 20th day of April 2012.

Respectfully submitted,

/s/
